See Installation and Service Manual for more complete information.  
(Specifications subject to change without notice.)

## 2 Year Warranty

The Alphatek AX 700LE and AX 745LE Processors are warranted for a period of two years from the date of installation for all parts and against defects in material and/or workmanship. Should any such defect appear during the warranty period, notify your Alphatek dealer.

This warranty is for parts only and not for labor. This warranty does not cover damage caused by accident, misuse or neglect.

This warranty is in lieu of, and supersedes all other representations, expressed or implied, by the manufacturer or any representatives.

This warranty is provided for the original purchaser and is not transferable.

This warranty is void if any service or reinstallation has been done by any person or persons who are not authorized Alphatek dealers.
